WHAT DOES A CORPORATE RESPONSIBILITY & SUSTAINABILITY PRACTITIONER DO?

Corporate Responsibility & Sustainability (CR&S) Practitioners are found in all industries and are increasingly a key component of virtually all types of business models where profit and growth are a means to an even greater end, such as protecting the environment and improving societal sustainability. The broad purpose of the role is to be a social conscience for the organisation, helping innovate and drive ambitions for social and environmental change and make these a reality that are embedded and implemented across the organisation.

WHAT NEEDS TO BE COMPLETED PRIOR TO END-POINT ASSESSMENT?

Before entering Gateway, the apprentice must complete the following on-programme assessment requirements:

- Level 2 English and maths (if applicable)
- A Portfolio of Evidence
- A Project Proposal

WHAT ARE THE GATEWAY REQUIREMENTS?

The employer, training provider and apprentice make the decision to take the apprentice through Gateway. The apprentice must achieve all the required on-programme elements before they enter Gateway and are ready for End-Point Assessment.

END-POINT ASSESSMENT

There are two parts to this End-Point Assessment, which can be completed in any order.

1 WORK-BASED PROJECT INCLUDING A PRESENTATION WITH QUESTIONING

The Work-based Project is compiled after the apprentice has gone through Gateway, when a project proposal is submitted. The project should be completed within 16 weeks. Apprentices will prepare and deliver a presentation based on the project that appropriately covers the knowledge, skills and behaviours assigned to this assessment method. The presentation is followed by a Q&A session with questions prepared by the Independent End-Point Assessor (IEPA). This assessment method is graded as Fail, Pass or Distinction.

2 PROFESSIONAL DISCUSSION UNDERPINNED BY PORTFOLIO OF EVIDENCE

The Portfolio of Evidence, which is not directly assessed, provides a structure for the Professional Discussion. The apprentice must submit their Portfolio of Evidence to EFI Awards at gateway. They should provide at least one piece of evidence for each of the minimum knowledge, skills and behaviours in the Assessment Plan. The Independent End-Point Assessor (IEPA) will ask questions relevant to the PoE, and grades this as Fail, Pass or Distinction.

COMPLETION AND CERTIFICATION

We'll activate certification once the apprentice has successfully completed all EPAs, and the IEPA/IQA has verified this. Working with the apprenticeship certificate issuing authority, we'll ensure the apprentice receives their certificate.
